

Civil Login Procedure

When you connect to the mainframe, the following screen appears.

```

XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX
             XXX                                   X
            X                                     X
           XX                                     X
          XXXX                                   X
         XXXX                                   XX
        XXX  XXXXXXXXXXXXXXXXXXXXX              X
       X     XXXXXXXXXXXXXXXXXXXXX              X
XXXXXXXXXXXXXXXXXXXXXXXXXX                    X
                                           XXXXXXXX
                                                X
                                                    XX
XX                                         X   XX
  X                                         X   X
   X                                         X
    X X

```

Step #1 - On this screen, type VCAP.
The following is an example. Then press your ENTER key.

```

XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX
             XXX                                   X
            X                                     X
           XX                                     X
          XXXX                                   X
         XXX  XXXXXXXXXXXXXXXXXXXXX              X
        X     XXXXXXXXXXXXXXXXXXXXX              X
XXXXXXXXXXXXXXXXXXXXXXXXXX                    X
                                           XXXXXXXX
                                                X
                                                    XX
XX                                         X   XX
  X                                         X   X
   X                                         X
    X X

```

vcap

Step #2 - Once you have a blank screen, type cesn and press ENTER.

cesn

Step #3 - The following screen will appear. If this is your first login, please see Appendix A (pg. 6) to avoid password revocation. Here, you will enter your user id and mainframe password. Use your tab key to navigate the cursor on this screen. Press ENTER after you type your password.

```

                                Signon for CICS                                Applid:  AOCCVPRD
                                CIVIL CASE PROCESSING SYSTEM

Type your Userid and Password,  then press ENTER:

    Userid . . . .
    Password . . .

    New Password . . .
